Re: INDYCAR Restricted Access Policy

This bulletin shall confirm the restricted area access policy applicable to INDYCAR members associated with the 2012 Mazda Road to Indy program at non-Mazda Road to Indy events.

Effective with the IZOD IndyCar Series event at the Raceway at Belle Isle Park, INDYCAR is approving restricted area access to INDYCAR members associated with the Mazda Road to Indy program at such other events. By use of the 2012 INDYCAR annual credential, each member is accepting and agreeing to be bound by the terms and conditions of the 2012 Annual Membership application, including without limitation, each of the following:

1) acknowledgement that any promotional or activity opportunity provided by INDYCAR in regards to the 2012 racing season shall be an “Event” as defined in the INDYCAR membership documents and licenses,

2) acknowledgement the assumption of risk associated with participation in this Event, and

3) reaffirmation of the Release and Indemnity Agreement and the Media Release and Assignment the member executed as part of the membership application

Notwithstanding the foregoing approval by INDYCAR, an event promoter may have additional and/or different requirements, including without limitation minimum age requirements, for such restricted area access, and INDYCAR may modify the foregoing accordingly.
