Dear USF2000 Team Owner, Team Manager, or Driver:

Xtreme TM is contracted by the Cooper Tire and Rubber Company to provide tire sales, shipping and at-track support service for the Cooper Tires Prototype Lites powered by Mazda for 2013. In the interest of maintaining good business relationships and avoiding misunderstandings, we'd like to explain some of our ordering, payment, and return policies.

Cooper Tire/ Xtreme TM 2013 Tire Sales Policies

Ordering Tires

All test or event tire orders should be placed with Nikki Stauber at Xtreme TM (contact info is at the end of this letter).

Team Testing

For private *team tests or official series sponsored tests*, tires may be shipped to you directly or purchased and picked up at the track on a first-come, first-served basis, if Xtreme TM is on-site at an official series sponsored test- see payment information below for important payment details. To ensure a timely and low-cost delivery, shipped orders should be placed with Xtreme TM at least 10 days before you need them to arrive. Orders placed after this 10-day time frame will be accepted, but there is no guarantee of timely delivery and you will pay for expedited delivery charges. After the order has been placed with Xtreme TM and paid in full, it will be drop shipped from a Cooper Tire warehouse to the shipping address you supply. Shipping charges are always paid by you (the customer) and are not included in the price of the tires. NOTE: When having product shipped to you, fitting and balancing is not an option, as this service is only available at the track.

At Track Events

For *official races*, tires may be purchased as needed on-site at the track or pre-purchased at a discount by the pre-purchase deadline date noted on the event pre-purchase discount deadline form, before the event -see payment information below for important payment details. The pre-purchase discount deadline information for the current season is attached at the end of this letter. As a courtesy, Cooper Tire provides you one free mount and balance per new tire on the event weekend only when the Cooper Tire Truck is on site. Beyond this, you will be charged for any additional mounting and balancing work done during the event. Wheels should be brought to the service crew clean and free of weights, caps, and cores. Xtreme TM will remove wheel weights and valve cores for a fee.

2013 Payment Policy

All Cooper Tire product must be **PAID IN FULL** before it is shipped or before it is mounted if purchased at an event. Xtreme TM accepts payment via Intuit Payment Network, checks, Amex, Visa, and MasterCard. Checks should be made out and mailed to **Xtreme TM**. There will be a 3.75% credit card processing fee added to purchases made with Amex, Visa, or Master Card. If Xtreme TM experiences two repeated denials on credit card transactions or one non-sufficient funds on a check, you will be refused service until the balance is paid in full. Your account will be placed on cash/verified credit status. Pre-payment will be required for all future purchases. NSF fees are $35 per transaction.

- Pre-orders: To be eligible for the pre-purchase discount of $100/set for race weekends only, all pre-purchases must be paid in full by the pre-purchase deadline date for each event. (See pre-purchase discount deadline attachment at the end of this letter). No refunds or returns on pre-purchased product.
- At-Track Purchase: Tires will always be available for purchase at the track. At the track, Xtreme TM will **only** accept credit cards (Amex, Visa, and MasterCard) for payment. No refunds or returns on mounted product.
- Shipped Tires: Payment in full is required before product will ship. There is no pre-order discount for shipped tires.

2013 Prices

Here are the prices for the 2013 Race Season:

USF2000/FE slick or wet: At-track price	$ 1,150.00 per set
USF2000/FE slick or wet: Pre-purchase price	$ 1,050.00 per set
Tire Disposal Fee	$ 3.00 per tire
Core/weight Removal	$ 5.00 per tire
Additional mount/balance	$ 15.00 per tire

Service

As stated above, one mount and balance per new tire is provided as a courtesy when the Cooper Tire service rig and Xtreme TM crew is at an event. Additional mount and balance service is available for a fee of $15/tire. All tire and wheel assemblies brought to the service rig for mounting and balancing should be clean of debris and brake dust, with caps, valve cores and wheel weights removed. Tools are provided on-site if necessary. Xtreme TM will remove wheel weights and valve cores for a fee of $5/tire. Xtreme TM will also dispose of used tires at the track at a cost of $3/tire.

Returns

Once pre-purchased or mounted, neither Cooper Tire nor Xtreme TM will accept returns on any tire product which has been shipped to a team or delivered at an event. Please make your pre-purchase and mounting decisions carefully.

Please feel free to contact us if you have questions or concerns at 541-207-3927 or info@xtremetm.net . We are excited about the 2013 racing season and look forward to working with you.

Sincerely,

Nikki Stauber- CEO, Xtreme TM

To pre-purchase tires, send an email message no less than 24 hours before the deadline date to accounting@xtremetm.net .
Make sure the following pieces of information are in the email:
-Team name/series/ driver name or car #
-Event name
-How you want to pay: credit card on file (include last 4 digits of card), check mailed to address below, Intuit Payment Network (IPN). Note: if mailing a check or using the IPN, make sure to email early enough that you can get the payment in by the deadline date above.
-How many sets you want (slick/rain) Note: Xtreme TM will have 3-4 sets of slicks and 1 set of rains per car available at each event. If you anticipate needing more, definitely pre-purchase them or send an email asking that we put them on the trailer so you can purchase them at the track.
